Targeted Case Management (TCM) Agencies

Value Based Payment (VBP) Data Collection
for TCM agencies Opens April 1, 2023

The Division of Developmental Disabilities (DD) VBP data collection system opens for Targeted Case Management (TCM) agencies user access requests and data entry on April 1, 2023. The TCM data entry reporting period will close May 15, 2023. TCM agencies will be able to report on Health Risk Screening Tools (HRSTs) completed beginning July 1, 2022, through March, 31 2023.

The VBP data collection platform, REDCap, will capture requests and data entry for the HRST incentive for TCM agencies. REDCap is a secure online data collection tool that can be bookmarked as a website link or added to browser favorites. To request user access, complete the [REDCAP User Access Form](#). Information about the VBP incentives, including data collection and REDCap training, are located on the Division's [Value Based Payments webpage](#).

VBP questions may be submitted to the Division VBP mailbox at DMHDD.VBP@dmh.mo.gov.
