Missouri Disability Benefits 101 Virtual Training

Wednesday, May 24
2:00 p.m.

Missouri Disability Benefits 101 (DB101) is an online tool that assists in making informed decisions about career planning and choosing a job. DB101 provides information on planning for your future, health coverage, and disability benefits all in one place.

The Missouri Developmental Disabilities Council invites Missourians with disabilities and their supports to an online training to learn more about using the online estimator tool, DB101, to make informed employment decisions. This virtual training is free and will be presented by Nicholas Love, Community Inclusion Director at the World Institute on Disability (WID).
