Meeting Midway – Tier 2 Prevention Podcast

Second Thursday of each month

ECHO MOADD (Missouri Alliance for Dual Diagnosis) bridges the care gap between mental health providers, state agencies and service systems, and children with dual diagnoses. In this episode of *Meeting Midway*, we talk with Amber Stockreef, Interdivisional Children's Services Coordinator with the Missouri Department of Mental Health about ECHO MOADD resources for individuals and families.

Presenter: Carl Hoening, Tier 2 Eastern Area Risk Prevention Lead

Target Audience:

- Division Team Members
- Targeted Case Management Agencies (TCMs)
- Contracted Providers
- Other Interested Individuals
