

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

6/15/23

Upcoming Deadline for NCI Family Surveys

The Division participates in two National Core Indicators (NCI) Family Surveys: the Adult Family Survey and the Child Family Survey. Family members of individuals receiving services fill out these surveys to provide feedback about services and overall quality of life. The Division uses the information to improve services and support initiatives.

Surveys were mailed to 1,500 randomly-selected families by the University of Missouri-Kansas City Institute for Human Development (UMKC-IHD) earlier this year. If your family received one, please complete the survey online by June 30, 2023.

If you have questions about the surveys, contact Caitlin Bartley at caitlin.bartley@dmh.mo.gov.
