Home and Community Based Services (HCBS) Waiver Provider Rate Increase

To ensure efficiency, quality of care, and access, effective for dates of service beginning July 1, 2023, the MO State Legislature has authorized provider rate increases for individuals receiving certain services in the categories of residential, non-residential and other Home and Community-Based Services in the following waivers: Comprehensive Waiver, Community Support Waiver, Partnership for Hope Waiver, and Missouri Children with Developmental Disability Waiver.

[Public Notice](#) and rate increases are posted on the MO HealthNet public notice webpage.
