Missouri Talent Pathways (MO-TAP)
Cohort II — Expanding Certified DSP Registered
Apprenticeship Presentation

July 13, 2023
2:30 - 3:30

During this virtual presentation, participants will gain a better understanding of MO-TAP, including structure, processes, value proposition, and how to participate. Current employment partners and apprentices will share their experiences. This is a great opportunity to learn what MO-TAP and the CDSP Registered Apprenticeship can do for recruitment, retention, and outcomes.

[Registration](#) is required. Please email j.gibbs@umb.edu if you have questions or accommodation requests.

Missouri Talent Pathways is a collaboration between the Division of Developmental Disabilities and the Institute for Community Inclusion at University of Massachusetts-Boston and offers monthly program development opportunities for both the organization and the mentors.
