Out-of-Home Respite & Temporary Residential Procedure Code & Rate Change

On July 1, 2023, the codes for the Out-of-Home Respite and Temporary Residential Services were updated to better support the 15 minute unit service delivery. Also effective July 1, 2023, Out-of-Home Respite and Temporary Residential 15 minute standardized rates were based on the Rate Refresh provided by Mercer.

The [Provider Memo](#) includes details about the approved code and rate changes. Please contact your [Provider Relations Vendor Service Coordinator](#) with any questions.
