DBH Updates, Notices, and Policy Guidance

June 30, 2023

Prior issues of FYI Fridays can be found at: <https://dmh.mo.gov/mental-illness/fyi-fridays>

1. **GT Modifier Notification** – Effective July 1, 2023 procedure codes with the GT modifier (indicates Telehealth services) will no longer be available, with the exception of those that fall within the CCBHC Clinic Services billing service categories. Providers will need to choose Telehealth for the Service Location when entering billings by hand (CIMOR) or have the 02 (Telehealth services) Place of Service when submitting batch billings (CVS or CIMOR).

If you have any questions, please email the CIMOR DBH Support Center by Logging In and selecting the Help Ticket option found on the left side menu of the portal, <https://portal.dmh.mo.gov>.

2. **MoHealthNet – Pharmacy Helpdesk Change of Business Hours** – Starting July 17, 2023, MO HealthNet will change the Pharmacy Helpdesk hours for drug prior authorizations. The new hours will be Monday through Friday, 8:00 a.m. to 7:00 p.m. Central; weekend hours will remain the same 8:00 a.m. to 6:00 p.m. MO HealthNet is making these changes based on historical call and fax volume to the Pharmacy Helpdesk. This change will help MO HealthNet complete drug prior authorization reviews faster.

2. **Behavioral Health Workforce Education and Training-Children Adolescents and Transitional Aged Youth Program for Professionals** – The purpose of BHWET-CAY Program for Professionals is to increase the number of behavioral health providers prepared to address the needs of children, adolescents, and transitional aged youth in high need high demand areas. **Application Due Date: Tuesday, August 1, 2023.** [Learn More](#)
3. **BJA Funding Opportunity: FY 2023 Residential Substance Abuse Treatment for State Prisoners Program** – The Bureau of Justice Assistance (BJA) recently announced a \$40.2 million funding opportunity for the FY 2023 Residential Substance Abuse Treatment for State Prisoners Program. The program intends to “...increase access to evidence-based prevention and treatment, reduce overdose deaths, and support increased access to evidence-

based substance use disorder (SUD) treatment and recovery support services, including medication-assisted treatment (MAT), to treat incarcerated individuals.” This program aims to do so by assisting states with “...developing and implementing residential SUD treatment programs within state correctional facilities, as well as within local correctional and detention facilities, in which persons are incarcerated for a period of time sufficient to permit SUD treatment.” The BJA will offer up to 56 awards of between \$160,000 and \$4,395,000 each. **Applications Due Date: August 7th, 2023.** [Learn More](#)

4. **NIDA Supports Research on Novel Approaches for Smoking Cessation** – The purpose of this Funding Opportunity Announcement (FOA) is to provide support for research to facilitate well planned clinical trials aimed at advancing the science of tobacco cessation among adolescents. Specifically, the FOA invites applications for Planning Grants (R34) to inform the planning, design, and initial development of adolescent tobacco cessation behavioral intervention studies, with an emphasis on the critical developmental risk period ranging from mid- to late adolescence (i.e., approximately 14-20 years old). Applications should propose clinical trial planning activities that are scientifically necessary to guide the design and conduct of a future clinical trial evaluating a tobacco cessation behavioral intervention for adolescents. Planning activities could include, but are not limited to, feasibility and pilot studies to assess intervention viability and/or trial design, and testing of recruitment, retention, and adherence strategies to increase participant engagement and scientific rigor. **Application Due Date: Sunday, October 15, 2023.** [Learn More](#)

11. **New Recovery From Addiction is a Journey, There's No One-and-Done Solution** – At a time when drug use is among the nation's gravest public health crises, a visit to the Allen House offers key lessons: Addiction is a chronic illness requiring constant vigilance, there's no one-and-done solution, and relapses are part of the journey to recovery. Peer mentoring is an invaluable element of drug counseling, since people who have plodded the difficult path from dependence to sobriety understand the mindset of patients on a visceral level. And most importantly for those who feel despair in the grip of addiction, there is hope. [Read More](#)
12. **New US Files First-Ever Changes against Chinese Fentanyl Manufactures** – The US Justice Department on June 23 filed criminal charges against four Chinese chemical manufacturing companies and eight individuals over allegations they illegally trafficked the chemicals used to make fentanyl—a highly addictive painkiller that has fueled the opioid crisis in the United States. The indictments mark the first time the US has sought to prosecute any of the Chinese companies responsible for manufacturing precursor chemicals used to make the painkiller. [Read More](#)
