Self-Directed Supports Rates – Fiscal Year 2024 (Part 1)

The rates used to calculate Self-Directed Supports (SDS) budget authorizations have increased, effective July 1, 2023. The increased rates for SDS are equal to the statewide base rate for comparable agency-based services. The increased rates are the Medicaid Maximums. **The aforementioned increase *could* be temporary.**

More detailed and important information on [Self-Directed Supports Rates – Fiscal Year 2024](#) has been published on the Division's website.
