Meeting Midway – Tier 2 Prevention Podcast

In this episode of Meeting Midway, Tier 2 Risk Prevention Consultant Stephen Hibner discusses the importance of Setting Expectations. Setting Expectations is a strong and effective tool that teams can use to teach new skills and help build better communication and relationships. Stephen highlights the importance of team involvement of taking small tasks one at a time and the importance of “Earn” and “Don’t Earn”.

Presenter: Carl Hoening, Tier 2 Eastern Area Risk Prevention Lead

Target Audience:

- Division Team Members
- Targeted Case Management Agencies (TCMs)
- Contracted Providers
- Other Interested Individuals
