New Online Assessment Scheduling

The Division of Developmental Disabilities has launched a new online assessment scheduling solution powered by GReminders. Effective immediately, all new assessment needs should be booked utilizing this new long-term scheduling process.

Training content and resources have been developed to support this launch. All content should be reviewed before scheduling assessments, including:

The Assessment Leadership Team will host a virtual office hour on January 5, 2024 from 10:00 – 11:00 am. During this time, Support Coordinators will have an opportunity to review the new online assessment scheduling process and ask related questions. Join from this [link](#).

Scheduling information, training, and resources can be found on the [Assessment Scheduling](#) webpage. Questions regarding the information outlined within this blast and corresponding materials should be directed to DMH.DD.MAAS@dmh.mo.gov.
