Online Assessment Scheduling Updates

The virtual office hour originally scheduled for 1/5/24 is postponed and will be rescheduled for a later date.

Online assessment scheduling via GReminders continues to be temporarily disabled due to technical limitations resulting in scheduling errors. The contracted vendor and State Information Technology Services Division are working together to identify a solution.

Please continue to schedule urgent assessments for initial eligibility determination, initial waiver requests, and critical service situation requests utilizing the [Request for Missouri Adaptive Ability Scale \(MAAS\) Assessment Form](#).

The Division apologizes for the inconvenience and will communicate further updates as information becomes available.

This blast provides follow-up to information released on [12-19-23](#) and [12-20-23](#). Questions regarding the information outlined within this blast should be directed to the Assessment Leadership Team at DMH.DD.MAAS@dmh.mo.gov.
