Governor's Council on Disability Missouri Youth Leadership Program **FREE** Informational Webinars Available

The Missouri Youth Leadership Forum (MO-YLF) is designed for young adults with disabilities to learn from successful leaders and role models. Participants gain knowledge about their own and others' disabilities, develop self-determination skills, and learn about leadership styles, disability laws, and the legislative process. The forum equips students with the tools to achieve their post-secondary goals in education, employment, and independent living; all while having fun and making lifelong friends.

The Governor's Council on Disability is offering **FREE** informational webinars focusing on the 2024 Missouri Youth Leadership Forum. Each webinar will include information on what takes place during MO-YLF sessions, what the benefits are for a student to attend, and information on the application process. All prospective delegates, educators, service providers, and families are welcome to register and attend.
