Division of Developmental Disabilities' (DD) Health Home State Plan Amendment (SPA) Approval

On April 29, 2024, the Centers for Medicare and Medicaid Services (CMS) [approved](#) Missouri's DD Health Home [SPA](#) effective July 1, 2024.

Missouri is the 2nd state in the nation, following New York, to implement a Health Home uniquely designed for individuals with chronic health conditions and intellectual and developmental disabilities. DD Health Home providers include Division of DD Targeted Case Management entities and Home and Community-Based Services (HCBS) waiver providers.

Visit the [DD Health Home Webpage](#) for further information, or email the DD Health Home mailbox at DDHealthHome@dmh.mo.gov with any questions or feedback.
