## Regional Networking for Tiered Systems In-Person Workshop

July 25, 2024

9:30 - 12:00

Rolla Regional Office

How can networking with other organizations in your region help?

- Learn how other organizations implement universal strategies
- Collaborate and share resources
- Make connections with others in the same type of work
- Learn about various topics of universal systems

Join an in-person workshop to learn more and engage with other organizations in your region. [Registration](#) is required.

More information about Tiered Supports is available on the Division's [webpage](#).
