UPDATE—EXTENSION

"Additional Details Forthcoming via Provider Bulletin"

Provider Bulletin 32 Health Risk Screening Tool Transition Plan

The Division of Developmental Disabilities issued [Provider Bulletin 32—Health Risk Screening Plan \(HRST\) Transition Plan](#) and supplemental [transition plan information](#) on February 9th, 2024. The HRST Transition Plan allowed the Division and stakeholders additional time to develop a HRST process that can be achieved successfully. As a result of stakeholder collaboration and recommended solutions, the transition plan is being extended beyond the original date of September 30th, 2024.

The Division will be issuing Provider Bulletin 32, Version 2, with additional details prior to September 30th, 2024.
