Due Process Review Committee and Individual Rights Consultation

Effective September 12, 2024, the Division is implementing two new processes for Individual Rights and Due Process.

Due Process Review Committee: The Columbus Organization will start receiving and reviewing **all** due process referrals for individuals receiving Home and Community Based Services (HCBS). All due process referrals will be submitted via the online [referral form](#). Regional Office Due Process Review Committee designated emails will no longer be operational.

The link to the online referral form is located on the Division's [Individual Rights and Due Process webpage](#) under Due Process Review Committee Referral.

Individual Rights Consultation: The Division is launching a new procedure called Individual Rights Consultation. To submit an Individual Rights Consultation request, use the [link](#) located on the Division's [Individual Rights and Due Process webpage](#) under Rights Consultation Request.
