

Improving lives THROUGH  
supports and services  
THAT FOSTER self-determination.

## **National Disability Employment Awareness Month (NDEAM)**

ThinkWork!

ThinkWork! is a hub for tools, resources and publication briefs focused on increasing the employment of individuals with intellectual and developmental disabilities. Areas of focus include:

- Public policy
- Self-determination
- Public funding
- Transition planning from school to work

A common theme is the importance of family support for individuals as they explore pathways to employment and career planning.
