Technology in Employment Learning Community

The Technology in Employment Learning Community is currently accepting applications for Division of Developmental Disabilities waiver employment service providers and targeted case management agencies to join the community of practice. Spaces are limited and [application](#) is required by **November 29, 2024**. Participants will receive:

- Monthly community of practice calls featuring technology tools and implementation strategies to support employment
- Consultation from a multidisciplinary team of professionals, including [Missouri Assistive Technology](#), [Division of Developmental Disabilities](#), [Employment First Missouri](#), and provider mentors
- Collaboration with professionals across the state
- Strategies and tools to develop individual and organizational capacity for technology

For additional information, contact Jessi Keenoy at Jessica.keenoy@umb.edu or Sandy Keyser at sandy.keyser@dmh.mo.gov.

Employment First Missouri, is a collaborative between the Division of Developmental Disabilities and the Institute for Community Inclusion at University of Massachusetts-Boston.
