Social Security Cost of Living Adjustment

Social Security has issued a Cost of Living Adjustment (COLA) beginning January 2025. This COLA will increase Social Security Income (SSI) benefits by 2.5%. As in the past, the Division of Developmental Disabilities (DD) will pass the increase on to DD Supported Community Living (SCL) providers who deliver services under the following procedure codes:

- 41000W Residential Treatment 24 Hour(s)
- 41010W Room and Board - Non Waiver 24 Hour(s)

The increase will be applied for services provided starting January 2025. Contact your [Vendor Service Coordinator](#) if you have any questions.
