

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

2/14/25

Employment First Missouri Training Series
Provider Standards - Having a Vision for Employment

Thursday, February 27, 2025
1:00 - 2:30

Supporting individuals to succeed in employment requires an organizational commitment to employment. You'll learn about the importance of aligning an organization's mission and values with support for employment in the community, and the specifics of what organizational support for employment entails. Included will be a discussion of Missouri's Employment First policy, and what that means on a day-to-day basis for organizations supporting individuals with intellectual and developmental disabilities. [Registration is required.](#)

Please email Nicholas.Holz@umb.edu with questions or accommodation requests.

[Register for the full training series.](#)

Employment First Missouri, a collaborative between the Division of Developmental Disabilities and the Institute for Community Inclusion at University of Massachusetts-Boston, offers monthly professional development opportunities to facilitate employment support professional training requirements.
