## Upcoming Webinar

### Data Analytics Tasks (DAT) System Overview

March 20, 2025

9:00 a.m.

This webinar will cover an overview of the DAT system. The overview will include a review of the DAT homepage and all links. Additionally, a demonstration will be conducted on how to submit a help desk and data analytics request within the system.

#### **Presenters:**

- Shannon Hoerschgen - DD Configuration Architect
- Barbara Dismang - DD Help Desk Analyst
- Cory Norman - DD Research Data Analyst

#### **Target Audience:**

- Regional Office Staff
