Improving lives THROUGH supports and services
THAT FOSTER self-determination.

March is Developmental Disabilities Awareness Month (DDAM)

Building awareness does not end on March 31. April 1 begins National Autism Acceptance Month (NAAM). During this campaign, the Autism Society encourages you to embrace the full reality of Autism, by moving beyond awareness toward acceptance and meaningful action. This Autism Acceptance Month, you can make an impact by sharing your story, getting involved, and supporting the Autism community. Learn more about the #AutismIs campaign on the [Autism Society of America webpage](#).
